# Welcome Back Minor Hockey Players and Families!

## September Pre-Season Skate

It has been nice to see the arena full and players back on the ice this month. Our pre-season skates have been well attended, with players and coaches reconnecting through skills and fun. A big thank you to all our volunteers who helped make these development days a success.

## Player Evaluations & Team Formations

Haldimand Local League is scheduled to start the season October 22<sup>nd</sup>. Without Thanksgiving weekend ice time, we are starting player evaluations this weekend. They will run Oct 1<sup>st</sup>/2<sup>nd</sup> and Oct 15<sup>th</sup>/16<sup>th</sup>. Watching players during this time, allows evaluators to determine the skill level of each player, which helps us balance teams evenly. Please see the Evaluation Weekend Schedule below.

Please arrive early to your scheduled ice time. There will be a registration table to check in your player and their jersey number. If you do not have a jersey with a number, a numbered pinny will be provided for you.
